The Global Renewables Alliance (GRA) serves as the unified and collective voice for renewable energy on the global stage. It is a coalition comprising six prominent global industry organizations specializing in wind power (GWEC), solar power (Global Solar Council), hydropower (International Hydropower Association), geothermal energy (International Geothermal Association), long-duration energy storage (LDES Council), and green hydrogen (Green Hydrogen Organisation).

Given the global nature of the GRA, we are actively in search of a versatile candidate to join our team starting on August 1st, 2024. We are looking for an individual with a keen eye for detail and a structured mindset. The ideal candidate will be instrumental in supporting our continuous growth and contributing significantly to our overarching goal of accelerating a secure, clean, affordable, and equitable energy transition.

**Policy Intern (Full-time, paid)**

**Responsibilities:**

- Assisting in organizing the Global Finance Advisory Group with public and private sector actors, coordinating and facilitating meetings and discussions.
- Supporting the planning and execution of corporate sourcing events, ensuring smooth logistics and effective participant engagement.
- Contributing to thought leadership by conducting research and creating content that positions GRA as a leader in the industry.
- Engaging in policy analysis and development, providing insights and recommendations that support GRA’s strategic objectives.

**Requirements and competencies:**

- Currently pursuing or recently completed a degree in public policy, economics or a related field, with a focus on renewable energy preferred.
- Strong organizational and multitasking abilities.
- Proficiency in English is essential.
- Full proficiency in digital tools such as MS Office and Google Docs.
- Passion for renewable energy and commitment to environmental sustainability.
- Location: Brussels (In-person presence required, no visa sponsorship possible).

Interested candidates should submit their resume and a brief cover letter to Arthur Wiggers at Arthur@globalrenewablesalliance.org. Applications must be received by **7th of July 2024.**
