

Communications Trainee

Location: Brussels

Employment Type: Full-time traineeship

Start Date: From January 2025 (6 months with possibility of extension)

About the Global Renewables Alliance:

The Global Renewables Alliance (GRA) serves as the unified voice of the renewable energy industry on the global stage. Our mission is to inspire action, foster collaboration, and accelerate the transition to a renewable energy future. Through impactful events, strategic campaigns, and meaningful partnerships, we drive global conversations and innovations in clean energy.

The GRA was founded by leading organizations in the renewable energy sector, including the Global Wind Energy Council, Global Solar Council, International Hydropower Association, Green Hydrogen Organisation, Long-Duration Energy Storage Council, and the International Geothermal Association. Together, these global bodies have come together to amplify the private sector's role in the energy transition. Our collective goal is to triple global renewable energy capacity by 2030, reaching at least 11,000 GW, and build a sustainable future powered by renewables.

Key tasks and development:

Reporting to the communications officer, you will support a range of GRA communications activities:

- Develop and implement digital communications plans and grow digital platforms
- Execute powerful global campaigns to boost brand awareness and messaging

- Write content and post on GRA's social media channels and website
 - Closely engage with GRA's members, partners, sponsors and influencers to amplify the messaging
 - Actively monitor, report and adapt communication on social media and in the press based on digital analytics
 - Maintain, update and improve GRA's website
 - Support on marketing of GRA's events and activities
 - Maintain and develop GRA's database of key communications and media contacts
-

Qualifications:

To fit this role, it is essential to have:

- a completed bachelor's degree in a related field (eg. communications, marketing, public affairs, sustainability, energy and climate)
- a very high level of written and spoken english
- enthusiasm for, and interest in, renewable energy
- the ability to learn fast, be proactive and adapt to a variety of tasks
- curiosity and creativity and to be a team player
- interest in working in a fast-moving international environment

To fit this role, it is beneficial to have:

- a completed master's degree in a related field (eg. communications, marketing, public affairs, sustainability, energy and climate)
 - previous experience in communications
-

What We Offer:

- CIP traineeship agreement with monthly remuneration and transportation benefits
 - Opportunities to kick start your career and learn new skills
 - Opportunities to connect with stakeholders from around the globe and across sectors
 - Follow and influence global policy development on clean energy
 - A collaborative, inclusive work environment committed to professional growth
 - The chance to be a part of a movement shaping the future of energy
-

How to Apply:

Interested candidates are encouraged to submit their resume and cover letter to saga@globalrenewablesalliance.org by 20th of December 2024. Please include "Communications Trainee – Global Renewables Alliance" in the subject line.

Diversity, Equity, and Inclusion

At the **Global Renewables Alliance**, we celebrate and embrace diversity in all its forms. We believe that a wide range of perspectives strengthens our ability to drive innovation and create lasting change. We are committed to fostering an inclusive environment where everyone—regardless of race, ethnicity, gender identity, sexual orientation, age, ability, or background—feels valued, respected, and empowered to contribute to a renewable energy future.
