GLOBAL RENEWABLES HUB

Pavillion Location: PV-C110

Date	10-Nov	11-Nov	12-Nov	13-Nov	14-Nov	15-Nov	16-Nov	17-Nov	18-Nov	19-Nov	20-Nov
	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday
Session 1 (9:00 - 10:00)		**Efficiency in Action: The Silent Driver of Competitiveness** Solar Impulse Foundation & Energy Efficiency Movement See More	**300 Million Solar Homes by 2030: How Rooftop Solar is our Superpower to Achieve 3X Renewables** Global Solar Council & Smart Energy Council See More		**Regional Collaboration and Competitive Procurement for Accelerating Renewable Energy and Energy Storage Deployment in the Caribbean** Global Energy Alliance for People and Planet	**The role of sustainable hydropower in the clean energy transition in Latin America** International Hydropower Association See More				
Break (30 min)											
Session 2 (10:30 - 11:30)	**Official Pavillion Opening** Global Renewables Alliance & IRENA	**100x100 Global Launch: 100 Islands, 100% Renewable, Determination Beyond Hope** Greening the Islands Foundation, Global Solar Council, Blue Planet Alliance & Government of Saint Kitts and Nevis See More	**Systems Change: Unlocking what is Needed for the Renewable Energy Era** IRENA & REN21	**The crisis within the crisis: the need for pumped storage hydro** International Hydropower Association See More	**Storage Pledge to Progress: Funding LDES Deployment and Securing Storage for NDCs - with an overview of Energy Storage in Brazil** LDES Council, IFC & NEXT GROUP See More	**Global Offshore Wind Stocktake** Global Offshore Wind Alliance See More		**The role of renewable energy targets in advancing a just energy transition across Latin America** Transforma See More	**Governance for Grid Decarbonization: Structural Reforms for a Net-Zero Power System** Solutions for Our Climate See More	**Bridging the Gaps: Lessons and Implementation Challenges from GST 1.0 and Planning for a Stronger, Fairer GST 2.0** YOUNGO See More	
Break (30 min)											
Session 3 (12:00 - 13:00)	**Energy Transition and Sustainable Transportation: The Path towards Clean and Sustainable Mobility** Consórcio Brasil Verde See More	**Geothermal Energy: Powering a Resilient and Decarbonized Energy Future** IRENA Global Geothermal Alliance and Iceland Ministry of Foreign Affairs	**Building the Wind Power Supply Chain to Accelerate the Energy Transition in Latin America and the Caribbean** Global Wind Energy Council See More	**Catalysing Grid and System Solutions for Global Energy Security** Global Grids Catalyst & Renew2030 See More	**Dialogue on Transforming Power Sector Beyond 2030** Utilities for Net Zero Alliance (UNEZA)	**Accelerating Zero & Low Emission Technologies in Hard-to-Abate Sectors** Alliance for Industry Decarbonization & Global Alliance for Sustainable Energy See More		**High-Level Dialogue between Youth and Global Energy Leaders at COP30** YOUNGO, Global Renewables Alliance and IRENA See More	**Decentralized Energy for Reducing Emission and Increase Economy Productivity** IRENA	**Mini-grids for Climate Adaptation, Mitigation, and Resilience** Sustainable Energy for All	
Break (30 min)											
Lunch and networking (13:30-14:30)		**COP30 High-Level Event for Tripling Renewables and Doubling Energy Efficiency** IRENA, Global Renewables Alliance & COP30 See More	**All In: Why Business Leaders Back a Rapid Energy Transition?** E3G & Global Renewables Alliance See More	**Networking: Women in Renewable Energy** International Hydropower Association & Global Renewables Alliance & Partners See More	**The Molecule That Takes the Renewable Electrons Further** Green Hydrogen Organisation See More	**Energy with Equity: Centering Gender and Community for a just and Resilient Transition** IRENA					
Break (30 min)											
Session 4 (15:00 - 16:00)	**Bridging Generations for a Just Energy Transition: from Local Action to Global Policy** Latin American Observatory of Energy Geopolitics, YOUNGO, IRENA & Global Renewables Alliance See More		**The Electrotech Revolution is changing the global energy landscape** Ember & Global Renewables Alliance See More	**Call to Action on Skilling for Energy Transition** IRENA	**The role of the Private Sector in Accelerating a Clean Power Transition in Emerging Economies** Global Clean Power Alliance, United Kingdom See More	**Solar. Storage. Energy Secured. How is solar plus storage critical to achieving energy security?** Global Solar Council & IRENA See More		**Youth Diplomacy as a Bridge between Africa and MENA** IRENA	**Towards 1 Terawatt of Renewable Energy by 2030 in the Mediterranean: Accelerating a Just and Inclusive Transition** TERAMed Initiative See More	**Energy Transition Skills,Innovation,and Capacity Exchange: Building a Collaborative Ecosystem for Young People to accelerate the Energy Transition** IRENA	
Break (30 min)											
Session 5 (16:30 - 17:30)		**Advancing Clean Energy Adoption Through Innovative Partnerships in Latin America** World Resources Institute, Global Renewables Alliance & Climate Group See More	**Renewable Energy for Remote Communities: Transforming Lives in the Amazon** IRENA	**Beyond the Binary: Decentralised Energy for ASEAN's Climate-Resilient, People-Powered Future** IRENA	**Innovative Finance Pathways to Power Offshore Wind's Take-Off in Emerging Markets** Global Wind Energy Council See More	**Financing the Green Industrial Transition: Building Shared Infrastructure and Lowering the Cost of Capital** Global Hydrogen Organisation, Industrial Transition Accelerator & Climate Analytics See More		**Aligning Oceans and Energy for implementation of the Paris Agreement: Advancing Offshore Renewables through Blue NDCs** Ocean Energy Pathway See More	**Agrivoltaics and Decentralized Renewables: Bridging Mitigation, Adaptation and Climate Resilience in Food Systems** IRENA		
Break (30 min)											
Networking and receptions (18:00-20:00)		**Global Wind Energy Council Reception - Wind: Powering the future** on Pavillion	**Global Renewables Alliance Reception: Jobs. Security. Growth** outside of the Pavillion		**Global Solar Council's 10 Year Anniversary: Celebrating what's possible with Solar+Storage** outside of the Pavillion	**Anniversary celebration of GRA, GSC, GWEC, IHA & LDES** at the Pavillion
