GLOBAL RENEWABLES HUB

Global Renewables Alliance

IRENA International Renewable Energy Agency

Hall B2 - Pavillion D605

Date	9-Nov Monday	10-Nov Tuesday	11-Nov Wednesday	12-Nov Thursday	13-Nov Friday	14-Nov Saturday	15-Nov Sunday	16-Nov Monday	17-Nov Tuesday	18-Nov Wednesday	19-Nov Thursday	20-Nov Friday
Day Theme	**Food, Agriculture and Health**	**Energy and Transport**	**Zero Waste Leaders Summit Day 1**	**Resilient Cities and Built Environment Leaders Summit Day 2**	**Finance and Trade**	**Children, Youth, Education and Skills**	**Rest Day**	**Science, Industry and Technology**	**Ocean, Seas, Nature and Land Use Rio Synergy**	**Human and Social Development**	**İmece: Enhancing Implementation**	**Final Negotiations**
Session 1 (9:00am - 10:00am)		**Transforming the Power Sector by 2030 Unlocking Power System Flexibility: Grids for a Resilient Energy Transition** Guidehouse, Green Grids Initiative & IEC					**Run 4 Climate** 5km Community Run 10:00am Meeting Point: Olbia Kent Meydanı, Antalya	**Powering Prosperity: a North-South Parliamentary Dialogue on the Energy Transition** IRENA				
Break (30 min)												
Session 2 (10:30am - 11:30am)		**Global Offshore Wind Alliance Global Stocktake** Global Offshore Wind Alliance		**Pacific Leadership in the Renewables Revolution Advancing a 100% Renewable Blue Pacific through Investment and Partnership** Republic of Palau, PIF Secretariat, SPC, Global Renewables Alliance	**Connectivity as Energy Security: A Latin America and Southeast Asia Knowledge Exchange** Global Renewables Alliance See more	**Building the New Power System: Solutions and Practices in Grids, Hydropower and Energy Storage** IRENA		**Eastern Africa Energy Dialogue: Powering the Regional Energy Transition** Global Renewables Alliance, E3G & UNIDO See more	**Delivering Offshore Wind at Scale: Ambition, Action and Ocean Stewardship** Global Wind Energy Council & Global Offshore Wind Alliance See more	**Practical pathways and priorities for a just energy transition** IRENA	**35-BY35 Demand Flexibility** IRENA	
Break (30 min)												
Session 3 (12:00 - 13:00)	**Official inauguration and opening Ceremony Global Renewables Hub** Global Renewables Alliance & IRENA	**Powering the decade of electrification: renewable supply, grids and system flexibility – insights from WETO 2026** IRENA See more	**Future-Proofing Grids for a Renewable Energy Future** Global Renewables Alliance See more	**Smart Grid, Smart Capital: investing in next-gen distribution** IRENA	**From Planning to Procurement: Enabling Electricity Grids and Long Duration Energy Storage for Decarbonised Energy Systems** Long Duration Energy Storage Council & Renewables Grid initiative See more	**Call to Action on Skilling for the Energy Transition** IRENA		**Renewable energy for AI: green data centres for the twin transition** IRENA & Global Renewables Alliance				
Break												
Session 4 (13:30-14:30)		**From Pledge to Plans: Electrifying the Transition** Global Renewables Alliance & European Commission See more	**From Megawatts to Mega-Flexibility: Rethinking Power for a Renewable World** Global Solar Council, International Hydropower Association & LDES Council	**300 million solar homes initiative** Global Solar Council See more	**GWEC Information Integrity Initiative** Global Wind Energy Council See more	**Powering Energy Intensive sector: A Multi-Stakeholder Roundtable on Workforce and the Electrification Agenda** YOUNGO Energy Working Group			**Beyond 10 GW: accelerating the next phase of the SIDS energy transition** IRENA			
Break												
Session 5 (15:00 - 16:00)		**On the road to 35-by-35: Private sector perspectives for a future-proof, renewable, and electrified energy system** Global Renewables Alliance See more	**Powering Electrification: Hydropower for Energy, Water and Resilience** International Hydropower Association See more	**High Level Dialogue on Electrification Turning Policy Ambition into Real-World Impact** IEC, OXFAM & TÜV SÜD	**Building the Wind Power Supply Chain to Accelerate the Energy Transition in the Middle East and North Africa** Global Wind Energy Council See more	**From Words to Action: young entrepreneurs delivering the energy transition + launch of the Youth Impact Report 2020-2026** IRENA			**Mobilising Climate Finance for Energy Access: From National Plans and Pledges to Bankable Projects** IRENA		**Nature-positive renewable energy deployment** IRENA	
Break												
Session 6 (16:30 - 17:30)	**Unlocking the decade of electrification: end-use transformation and digitalisation – insights from WETO 2026** IRENA	**Translating COP31 '35 by 35' Global Electrification Pledge into Action (17:00 - 18:00)** IRENA	**End-of-life management of renewables: enabling a circular economy** IRENA	**The IMO Net-Zero Framework: Securing a Future for Green Fuels in Global Shipping** Green Hydrogen Organisation See more	**GWEC Flagship Event: Powering the Future Begins with Wind** Global Wind Energy Council See more	**24/7 Renewables** IRENA, IITC & Global Renewables Alliance See more		**Electrification across the Mediterranean: T-MED as the delivery instrument of the Pact for the Mediterranean** IRENA	**Powering the road from Antalya to Addis: E-Mobility Pathways for Africa** IRENA	**Regional Electrification Day** IRENA		
Break												
Networking and receptions (18:00-20:00)				**Women in renewables: Fireside chat & Reception** IRENA, GRA, GWNET, WiRE, Global Offshore Wind Alliance See more	**GWEC Reception: Powering the Future with Wind** Global Wind Energy Council	**GRA Pavilion Reception** Global Renewables Alliance		**Green Industrialisation and Decarbonisation** Guidehouse & IRENA	**Powering the road from Antalya to Addis: E-Mobility Pathways for Africa** IRENA
